Designs pick up awards

Hot on the heels of winning three national awards at the beginning of April, including the 2009 Design Excellence Award, Chris Clout picked up four regional awards on Friday night, April 17, at the Building Designers Association of Queensland (BDAQ) Sunshine Coast Region awards ceremony.

Chris Clout won the BDAQ Regional Awards for:

- ▶ Best Residential Interior
- ▶ Best Swimming Pool or Water Feature
- ▶ Best use of Colorbond Steel
- ▶ Best Bathroom

All prizes were awarded for the Saltwater House at Noosa Waters. The pool

is a major feature of the house, and Chris designed custom Colorbond guttering to suit the roofline.

The Saltwater House is on the market through Tom Offermann, Noosa Heads.

In the midst of the awards ceremony, BDAQ executive director, Russell Brandon, paid tribute to Chris on his winning of the National Design Excellence award earlier this month, pointing out that only one other Queenslander had won it in the history of the awards.
